

Recycled Items Wanted!

Don't throw it out, donate it to reuse and repurpose!

We love to repurpose and reuse!

Our Christian Education ministries Recycling Center is for donations of items we can reuse for crafts, fundraising and other activities!

Are you downsizing, decluttering, love to recycle, or just trying to find another use for an item to be sustainable and protect our environment? Our Christian Education ministries repurpose used items (that people may otherwise toss out in the trash) in our lessons, crafts and other activities as a way to save our environment and save on our budget! Please only donate CLEAN and GENTLY USED items. We are currently accepting items shown.

If you have a large amount of items or are unsure if we would reuse, please contact us first. We have limited storage space.

Contact us: Alisha Cooley (734) 344-8535 or Office (734) 243-3000
email: alcooley@gmail.com or monroestpaulsumc@gmail.com.
Thank You!
